

Principal's Newsletter: Week 32

Dear Parents

Thank you for your turn out at the parents meeting. It is important to have this kind of feedback and discussions. I appreciated catching up with you all.

School Photos

Below is a repeat from last week's newsletter about school photos. I am sorry for the short notice.

School photos will be taken Friday 28th May. The photos will be held in the school library. A school photo will be taken outside. Students will need to wear formal school uniform for the photos.

Class and individual photos will be for sale. If you would like to purchase a photo please fill in the form below and return to Jessica.

Due to the potential cost of printing unwanted photographs you will not be able to view before you purchase.

Please place this form and the correct amount of money into an envelope. Please write your child's name on the envelope and use one envelope per child – this will cut back on confusion.

Can parents please be vigilant at home that their children are wearing school uniform. The school has a uniform policy and requires all students no matter what age to wear the school uniform.

I appreciate your support in this matter.

Sun Hats

The warm weather has finally arrived and the sun can be very fierce at lunch time. All students will need to wear school hats outside from now until the end of the school year. Can you please ensure that you provide a hat for your children to wear at school –preferably a school hat.

Yours Sincerely

Spring Festival results

The 2010 "Spring into the Arts" festival held on Saturday, May 22nd was one of the most successful events to date, largely due to a well organized parent support team as well as staff, student, and Student Council participation. In addition to the fun, food, music, and games, this event raised a grand total of 8,088.5 RMB. We donated the vast majority of funds raised to our two charities: The Yellow River Soup Kitchen, and The Library Project. We were happy to be able to donate 3,500 RMB to each charity. We also have a little over 1,000 RMB which will be used by XHIS Student Council for various projects which will benefit XHIS students.

XHIS would like to sincerely thank all visitors, students, staff, and special guests for spending your Saturday morning and afternoon with us! We hope you all had a great time, and you can feel satisfied knowing that your contributions of time and money have helped two great charities to help lots of other people in need.

Thanks again,
Mr. G

P.S. I will have a DVD of the Spring Festival available for sale within the next 2 weeks. More details available soon.

Dolce Lunches –Online Ordering

The online ordering has been very frustrating. We will use a paper copy again until the online ordering resumes. I am in talks with Vivien continuation of online ordering should be very soon – and properly, fingers crossed.

I have been asked about the menu in regards to changes. The lunch ordering is only new and the focus has been on the web site and providing lunches to students. I have asked Vivien to come to school in a few weeks to meet with parents –feedback can be given at this time.
